In partnership with The Curvy Fashionista

# Melissa Mercedes x ELOQUII

ELOQUII, the ultimate fashion destination for sizes 14+, presents a collection with designer Melissa Mercedes. Available exclusively at [ELOQUII.com](https://eloquii.com), this must-have collection comes on the heels of Melissa's win at the inaugural Cultivate Awards, an initiative that supports and nurtures the next generation of BIPOC emerging designers in the plus-size fashion community, presented by The Curvy Fashionista with ELOQUII as founding sponsor.

The Melissa Mercedes x ELOQUII collection, which features 16 pieces ranging from \$59 to \$149, merges the unapologetic sexiness of the Melissa Mercedes brand with the feminine polish of ELOQUII.

Alongside ELOQUII's Creative Director, Yesenia Torres, Melissa created the collection to be the ultimate assortment for day to night party dressing.
